DESCRIPTION

Your new favorite duffel has a smart shape and sturdy yet light structure, making packing easier than ever. Our large Scout is a roomy 70-liters. With a U-shaped opening, bag access is easy. The bag's frame is unusually strong for a duffel, ensuring that it stays standing upright even when empty, so packing is easier. Interior pockets let you separate shoes from clothes, or clean and dirty garments. The bag also features hidden, padded shoulder straps in the top lid pocket, if you prefer to carry your duffel like a backpack. The Scout series is built with durable 600D nylon with a water-resistant TPU backing. Like all our travel bags, the main zipper is lockable.

FEATURES

- 600D Polyester with TPU
- Large U-shaped opening into main compartment
- Separate shoe pocket for storage of shoes or clothes
- Hidden padded shoulder straps in top lid pocket
- YKK® zippers
- Main zipper is lockable
